Cross by Baron Lacroix. Baron Samedi (English: Baron Saturday), also written by Baron Samdi, Bavon Samedi or Bavon Sammdi, is one of the Loa Haitian Vodou. Samedi is the loa of the dead, along with numerous other incarnations of Baron Chimetier, Baron La Croix and Baron Criminel. He's syncrized with Saint Martin de Porres. He is the head of the Goode Loa family. His wife is Loa Maman Brigitte. Baron Samedi's portrait is usually depicted in a top hat, black tail coat, dark glasses and cotton corks in his nostrils, as if resembling a corpse, dressed and prepared for burial in the Haitian style. He is often portrayed as a skeleton (but sometimes as a black man who just has his face painted like a skull) and speaks in a nasal voice. Former Haitian President Francois Duvalier, known as Papa Doc, modelled his cult of personality on Baron Samedi; he was often seen speaking in a deep nasal tone and wearing dark glasses. It is published by violations, obscenity, debauchery and a special love for tobacco and rum. In addition, it is loa resurrection, and in the latter as he often called for the healing of those who are near or approaching death, since it is only a baron who can take a man into the realm of the dead. Baron Samedi spends most of his time in the invisible realm of voodoo spirits. He is known for his outrageous behavior, constantly swearing mate and making dirty jokes to other spirits. He is married to another powerful spirit known as Maman Brigitte, but often chases mortal women. He enjoys smoking and drinking and is rarely seen without a cigar in his mouth or a glass of rum in bony fingers. Baron Samedi can usually be found at the crossroads between the worlds of death and the living. When someone dies, he digs their grave and greets their soul after they have been buried, leading them to the underworld. The Baron is known to make deals with people who want his power at their disposal. Or, if he wants a specific person associated with it, he will initiate the process. Given that the deal is a bargain, he'll do it. This usually precedes a kind of adventure the two will share. He wants to know who they are before he takes them in his circle, and if a man has what he wants, he will make sure that is one person more than willing to pay. The connection with other Loas Baron Samedi is the leader of Gede, Loa with special ties to magic, ancestor worship and death. These smaller spirits are dressed as barons, and are as rude and rude, but not as charming as their master. They help carry the dead into the underworld. Activities, and being the master of the dead, Baron Samedi is also a life giver. He can cure mortals of any disease or wound, as long as he thinks it's worth it. His powers are especially great when it comes to the curses of Water and Black Magic. Even if someone suffers from a hexagon that brings them to the brink of death, they will not die if the baron refuses to dig their grave. As long as the baron keeps them underground, they're safe. It also ensures that all corpses rot in the ground to stop any soul from being returned as zombies. What he demands in return depends on his mood. Sometimes he is content with his followers wearing black, white or purple clothing or using sacred objects; He can just ask for a small gift of cigars, rum, black coffee, grilled peanuts or bread. But sometimes the baron needs a voodoo ceremony to help him move into this world.
